8 I am afraid it was a mistake to have prescribed a statement relating to licensed dealers in Sulphur (in quantities exceeding ten casks) is military stores; but saltpetre is not — Hence no license for its sale is necessary.

9 The matter may be explained to the Sec of War, on whose advice it was that order no 1314 of 26-2-03 was passed; & his opinion asked as to whether, under the Circs, the statement may not be discontinued.
